

# Volunteer Schedule 2025-2026

The volunteer schedule was extremely successful the past few years thanks to everyone's participation. We want to continue this program so that all members of the SHS family are working together to help staff the events that raise money for our school. The two biggest events are **Kolache Fest - Sept 27<sup>th</sup>** and **Strudel Bake – Oct 11<sup>th</sup>** which require everyone's help. Mark your calendars now!! The other fundraisers below we are assigning to a particular class. At each of these assigned events we are asking that **TWO** family members work per student assigned. This may be anyone >11 years old. You may include grandparents or your own children or you may ask another student to work (our junior high and high school students are always needing volunteer hours). If you are unable to work the assigned time it will be your responsibility to find a replacement. If you are unable to do this then you may contact Kelly Chance at 512 393 4100.
